

## Online Video Appointments

### How to connect to the online waiting room

#### Connecting online is easy...

Use a computer or device with a camera & microphone

On a laptop or desktop computer, and on Android  
Use Chrome or Firefox browser

On Apple iOS devices e.g. Mac, iPad, iPhone  
Use Safari version 12 and above

If you are using an older version of Safari, you will need to download the CoviU App from the App Store, or visit <https://coviU.com/downloads>

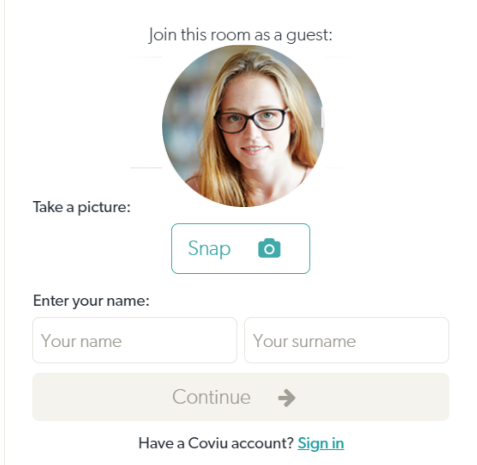

**Please make sure you allow your browser to access your camera and microphone.**

You will be prompted to provide payment details using secure credit card before your appointment.

For security, you'll be asked to take a picture, and enter your name.

You will be asked to read and agree to the informed consent.

Wait in a call queue page, your consultation will start shortly when your doctor is ready
